INTERNATIONAL ENERGY WEEK  
MOSCOW / MOSCOW

2016

draft

UPON SUPPORT OF:  
PROGRAM\*

December 14, 2016, Wednesday

Moscow

THE ELEVENTH INTERNATIONAL ENERGY WEEK

09:00 – 09:50

Registration of participants

10:00 AM – 1:30 PM

"GLOBAL ENERGY. CHALLENGES OF SUSTAINABLE DEVELOPMENT"

Plenary Session

Venue

Moscow, Conference Hall "Vega" PJSC "LUKOIL", Sretensky Boulevard 11

Topics

- New glance at the structure of the global energy mix
- Analysis of world and regional markets of oil and gas
- Pricing environment at the world markets
- Russia - OPEC - energy dialog for stability
- Russia - EU - energy cooperation development perspectives
- Energy potential for integration on the Eurasian territories
- Transport-energy infrastructure development strategic directions

Co-Moderators

**KONTOROVICH ALEKSEY**, the RAS Academician, Research advisor, Institute of oil and gas geology and geophysics n.a. A.A. Trofimuk SB RAS

**KIRILL MOLODTSOV**, Deputy Minister of Energy of the Russian Federation

**IGOR LOBOVSKIY**, President of Non-profit Partnership "Global Energy"

Opening Remarks

Invited speakers

OPEC

**ANATOLIY DMITRIEVSKIY** RAS Academician, Research Supervisor of the Institute of Oil and Gas problems of the RAS

**THE GAS EXPORTING COUNTRIES FORUM (GECF)**

**MINISTRY OF ENERGY OF TURKEY**

**EVGENIY VELIKHOV**, President of the National Research Center "Kurchatov Institute"

**EXECUTIVE COMMITTEE OF CIS**

**VICE-PRESIDENT, PJSC LUKOIL**

**VIKTOR MARTYOV**, President of the Russian State Oil and Gas University n.a. I.M. Gubkin

**FOREIGN OIL AND GAS MINISERIES**

THE SIXTEENTH ALL-RUSSIAN OIL AND GAS WEEK

2:30 PM – 6:30 PM

SESSION

"HIGH EFFICIENCY ENERGY - THE WAY IN NEW CONDITIONS".

First Sitting

Venue

Moscow, Conference Hall "Vega" PJSC "LUKOIL", Sretensky Boulevard 11

Co-Moderators

**NIKOLAY VOROPAY**, Director of Energy Systems Institute, n.a. L.A. Melentev, Siberian Branch of the Russian Academy of Sciences (SB RAS), corresponding member of the RAS

**BORIS REUTOV**, General Director, Ltd "VTI"

Topics

- Smart Grids
- Cutting-edge technologies and innovative equipment for development of power energy
- Gas generation development ways
- New platform for nuclear energy (project "Proryv" of Rosatom)

The Organizing Committee of "IEW/All-Russian Oil and Gas Week, 2016" reserves the right for making adjustments in the present program.

Direction of the "IEW/All-Russian Oil and Gas Week, 2016", tel./fax: (499) 480-01-57, 480-32-03, [ros-con@mail.ru](mailto:ros-con@mail.ru), [ieweek@mail.ru](mailto:ieweek@mail.ru), [www.ieweek.ru](http://www.ieweek.ru), [www.ros-con.ru](http://www.ros-con.ru).

- New generation of reactors and their fuel cycle
- Innovations for enhancement of safety on nuclear facilities
- Renewable energy - actual problems and required efforts
- Up-to-date carbon technologies in energy
- Environmental safety Comprehensive processing and utilization of raw and industrial wastes

**FEDERAL GRID COMPANY**

**SERGEY FILLIPOV**, Energy research Institute Director, Corresponding member of the RAS

**MINISTRY OF ENERGY OF TAJIKISTAN**

**MOSCOW UNITED POWER GRID COMPANY**

**MOSCOW POWER ENGINEERING INSTITUTE**

**MINISTRY OF ENERGY OF KYRGYZSTAN**

**ROSATOM**

**"TVEL"**

**MINISTRY OF ENERGY OF MONGOLIA**

**GURGEN OLKOVSKIY**, President of Ltd. "VTI"

**DMITRIY STREBKOV**, the RAS Academician, Research Supervisor of the All-Russian Institute of rural electrification

**PAVEL BEZRUKIKH**, head of department of new technologies and alternative energy at Ltd "Power Engineering Institute n.a. G.M.

Krzhizhanovsky"

**Invited speakers**

**THE SIXTEENTH ALL-RUSSIAN OIL AND GAS WEEK**

**SESSION**

**"INNOVATIVE MODEL OF OIL AND GAS COMPLEX, INVESTMENT AND TECHNOLOGICAL OPPORTUNITIES"**

Second sitting

**16:15 -18:30**

**Venue**

Moscow, Conference Hall "Vega" PJSC "LUKOIL", Sretensky Boulevard 11

**Co-Moderators**

**VITALIY BUSHUEV**, Director of Institute of Energy Strategies

**ALEXANDER SHPILMAN**, Director of autonomous institution of the Khanty-Mansiisk autonomous district - Yugra "Research - analytical center of rational subsoil usage n.a. V.I. Shpilman"

**Topics**

- Geology
- Smart fields
- Investment perspectives of the oil and gas complex
- Green and energy saving technologies, equipment and materials in exploration and oil and gas production
- Technologies of reservoir recovery increase
- Information provision and automation of production processes and oil and gas preparation for transportation
- Projects on production and export of LNG
- Liquidation of oil spills consequences, rehabilitation of polluted territories and water basins

**Invited speakers**

Institute of oil and gas geology and geo-physics SB RAS n.a. A.A. Trofimuk

**OJSC "ROSNEFT"**

**Oil and Gas Institute, Russian Academy of Sciences**

**PJSC "TATNEFT"**

**ALEXANDER SHPILMAN**, Director of autonomous institution of the Khanty-Mansiisk autonomous district - Yugra "Research - analytical center of rational subsoil usage n.a. V.I. Shpilman"

**DAVID KAUSHANSKIY**, General Director Ltd "Atombiotekh"

**YURIY SIROTINSKIY**, Deputy General Director at the Research Technological complex "Anchar"

**December 14, 2016 - in parallel**

**THE ELEVENTH INTERNATIONAL ENERGY WEEK**

**INTERNATIONAL ROUND TABLE**

**"INTERNATIONAL ENERGY COOPERATION. DIALOG AND NEW PROJECTS DEVELOPMENT"**

as of 14:00

**Venue**

Moscow, PJSC "LUKOIL", Head Office, Hall 320, Sretensky Boulevard 11

**Invited speakers**

**MINISTRY OF ENERGY OF THE RUSSIAN FEDERATION**

International Institute of Energy Policy and Diplomacy at MGIMO University (MIEP MGIMO)

**LARISA RUBAN**, director of the Center "Dialog Partnership "East-West" of the Institute of Sociology of the RAS

**15:00 - 17:00**

**Venue**

**ROUND TABLE**

**"INPUTS INTO INTERNATIONAL ENERGY COOPERATION FOR REALIZATION OF PJSC  
"LUKOIL" PROJECTS**

**Moscow, Sretensky Boulevard 11**

---
